

GERIATRIC DAY HOSPITAL FREEPORT HEALTH CENTRE

The geriatric day hospital is an outpatient program offered at Grand River Hospital's Freeport Health Centre. Working together with patients, families and community agencies, our health care team works with individuals to improve their quality of life and achieve their optimum level of functioning.

ADMISSION CRITERIA

- ❑ Patients that require a comprehensive, interdisciplinary approach to rehabilitation two days per week in a group setting to attain maximum functional independence
- ❑ Patients that require two or more disciplines (OT, physio, nursing, physician, social work, nutrition and/or recreational therapy, speech pathology)
- ❑ Patients that are able to manage in the community with appropriate community support
- ❑ Clients able to tolerate travel to and from the clinic in addition to therapy
- ❑ Clients with medical and rehabilitation needs that can be met by the hospital
- ❑ Clients who are generally over the age of 65

REFERRAL PROCESS

Referrals will be accepted from:

- ❑ Family physicians
- ❑ Health care workers
